AI GRC system

Compliance Breakdown by Category

Voluntary Commitments

RECITAL 47

✓ 1 Yes

Documentation & Support

BEST PRACTICE

– 1 Partial

Detailed Compliance Answers

Voluntary Commitments

RECITAL 47

✓ Yes – Fully Compliant

Has the vendor voluntarily committed to the EU AI Act voluntary code of conduct?

Documentation & Support

BEST PRACTICE

– Partial – Work in Progress

Does the vendor provide adequate documentation, support, and an incident reporting process?

Procurement Recommendation

⚠️ CONDITIONAL — Remediation Required

Significant compliance gaps exist. Before proceeding, require the vendor to provide a written remediation plan with timelines for all "No" and "Partial" answers. Include compliance milestones in the contract with right-to-audit and contract termination provisions.
